	§	
v.	§	TRAVIS COUNTY, TEXAS
	§	
AMCARE HEALTH PLANS OF TEXAS, INC. AND AMCARE MANAGEMENT, INC.	§	200 <sup>th</sup> JUDICIAL DISTRICT

**Application for Authority to Sell Furniture and Equipment**

**TO THE HONORABLE JUDGE OF THE COURT:**

**Comes now**, Jean Johnson, Special Deputy Receiver of AmCare Health Plans of Texas, Inc. and AmCare Management, Inc., filing this *Application for Authority to Sell Furniture and Equipment*, and in support respectfully shows the Court the following:

**I. AUTHORITY**

1.01 AmCare Health Plans of Texas, Inc. and AmCare Management, Inc. were placed in permanent receivership by this court's order dated January 21, 2003. The Commissioner of Insurance appointed Jean Johnson as Special Deputy Receiver. The Special Deputy Receiver is authorized to file this Application pursuant to TEX. INS. CODE ANN. art. 21.28 §2 (e) and (g). The subject matter of this Application has been referred to the Special Master appointed in this proceeding in accordance with Paragraph III, sections 4 and 5 of the *Order of Reference to Master* entered on December 16, 2002.

**II. BACKGROUND**

2.01 The Permanent Injunction and TEX. INS. CODE ANN. art. 21.28 authorize the Special Deputy Receiver to take possession of all property for the benefit of the policyholders, claimants, and creditors of AmCare Health Plans of Texas, Inc. (hereafter "AmCare Health") and AmCare

DISTRICT CLERK  
TRAVIS COUNTY, TEXAS

Management, Inc. (hereafter "AmCare Management.") Accordingly, the Special Deputy Receiver took possession of all property and assets upon takeover. The main office of AmCare Health and AmCare Management is in Houston, Texas. AmCare Health also maintained offices in San Antonio and Arlington, Texas, but these were closed and all furniture and equipment were removed prior to receivership.

2.02 The Houston office comprises the fifth and sixth floors and part of the seventh floor in an office building at 3411 Richmond Ave. The lease for the Houston office expires on March 31, 2003. Under the lease as amended, the Special Deputy Receiver must vacate the seventh floor by March 1, 2003 and the sixth floor by March 15, 2003, or incur penalties in the form of daily rent.

2.03 Prior to receivership, the Conservator negotiated the sale of a considerable amount of the Houston office furniture to GulfQuest, and this Court subsequently granted authority to sell the furniture in its *Order Granting Authority to Sell Furniture* dated January 21, 2003.

2.04 Despite the sale of part of the furniture, there is a considerable amount of unsold office furniture and equipment still remaining in the Houston office. The furniture includes but is not limited to general office furniture such as desks, chairs, cubicles, filing cabinets, bookshelves, and other items. The equipment includes but is not limited to telephone systems, computers and network equipment, printers, typewriters, fax machines, microwave ovens and refrigerators, and other general office equipment.

2.05 The Special Deputy Receiver proposes to offer for sale by competitive bid the furniture and equipment listed in Exhibit A, attached and incorporated herein as if fully set out. (The items already sold to GulfQuest are noted.) The furniture and equipment will be sold individually or by the lot, depending on the response received. The Special Deputy Receiver further proposes to discard, destroy or donate to charity all furniture and equipment that cannot be sold, in the manner most efficient to the administration of the estate.

### **III. BASIS FOR APPLICATION**

3.01 If the Special Deputy Receiver is forced to move furniture and equipment from the Houston office into storage to avoid penalties under the lease, the estate will incur significant storage and moving costs. The moving costs will be higher than usual, because the physical layout of the office building and elevator availability makes moving furniture out of the building difficult. The Special Deputy Receiver estimates that the additional costs would be approximately \$40,000, which could equal or exceed the amount the estate would realize from the sale of the furniture and equipment in the Houston office.

3.02 Because the lease requires the estate to vacate two floors before the lease expires on March 31, 2003, time is of the essence in selling the furniture and equipment in the Houston office to avoid either lease penalties, or moving and storage costs.

3.03 For these reasons, the Special Deputy Receiver has determined that it is in the best interest of the estate, claimants and creditors to sell the furniture and equipment by competitive bid, as proposed.

### **IV. NOTICE**

4.01 The Special Deputy Receiver provided notice of the submission of this application to all known parties of interest as shown on the certificate of service.

### **V. PRAYER**

**WHEREFORE, PREMISES CONSIDERED**, the Special Deputy Receiver respectfully requests that this Court grant this Application. The Special Deputy Receiver further requests that this Court enter an order authorizing her to:

1. Offer for sale by competitive bid the furniture and equipment listed on Exhibit A;

2. Sell the furniture and equipment listed on Exhibit A individually or by lot, depending on the response from the highest bidder;
3. Discard, destroy or donate to charity any furniture and equipment listed on Exhibit A that cannot be sold, in the manner most efficient to the administration of the estate; and
4. Execute any documents necessary to effectuate the purpose of this Application.

Respectfully submitted,
