MOTION FOR PERMISSION TO DESTROY RECORDS

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW Jean Johnson, Special Deputy Receiver (“SDR”) under contract to the Permanent Receiver of AmCare Health Plans of Texas, Inc., and AmCare Management, Inc., (hereinafter collectively referred to as “AmCare”), who files this *Motion for Permission to Destroy Records* (the “Motion”). In support of this Motion the SDR would respectfully show the Court the following:

THE RELIEF SOUGHT BY THIS MOTION

This is a motion which seeks permission to destroy records which are no longer useful or needed to be maintained for the further administration of the AmCare estate.

I. BACKGROUND

1. Pursuant to Article 21.28 of the Texas Insurance Code (hereinafter the “Code”), now codified as Chapter 443 of the Code, this Court placed AmCare in temporary receivership on December 16, 2002, and appointed Jose Montemayor Temporary Receiver. On January 21, 2003, the receivership was made permanent and Jose Montemayor was appointed as Permanent Receiver.

2. Jean Johnson was appointed as SDR on December 23, 2002, and she is fully authorized to file this Motion pursuant to Section 443.154 of the Code.

3. TEX. INS. CODE §443.354 provides for the disposition of records during and after termination of receivership.

II. AUTHORITY

1. This Court has jurisdiction over the subject matter of this Motion pursuant to Chapter 443 of the Code.

2. Under Section 443.154(a) of the Code, the SDR has all the powers of the Receiver, unless specifically limited by the Receiver.

3. The SDR is authorized to dispose of records during and after termination of receivership by direction of this Court pursuant to Section 443.354(a) of the Code.

4. The SDR is further authorized to transfer custody of any records maintained after the closing of the delinquency proceeding to the custody of the commissioner, and the commissioner may retain or dispose of the records as appropriate, at the commissioner's discretion, pursuant to Section 443.354(b) of the Code. The SDR has previously obtained permission to destroy some records, but this motion seeks a more comprehensive order to destroy most records of the estate.

III. ANALYSIS AND RECOMMENDATION

1. The SDR has identified certain records and documents that are not essential and do not need to be maintained for the further administration of the AmCare estate. It is the recommendation of the SDR that these records and documents be destroyed.

2. The only records and documents that need not be destroyed at this time are those that are necessary to complete the distributions, the necessary accounting records, and the records needed to close the estate. Records including, but not limited to claims files, underwriting files, and marketing materials (except those records necessary to complete the

distribution, certain financial records and other records useful to the estate closing effort) are no longer essential and do not need to be maintained. The SDR has identified over three thousand boxes of records and documents that fall into these categories and are no longer necessary to administer the estate. These records are identified in Exhibits “A-1” and “A-2” and include advertising and marketing material and files from Amcare’s pre-receivership storage unit. None of these files are necessary to the further administration of the Amcare estate. The records may include patient personally identifiable information or other sensitive information protected by HIPPA. The SDR will take steps to dispose of any such information in a safe and secure manner.

3. The SDR makes this motion on the basis that destruction of these records will reduce expenses, including costs to store and maintain the records, and is in the best interest of the AmCare estate.

4. This Motion is supported by the Affidavit of Jean Johnson, attached hereto as Exhibit “A” and incorporated herein for all purposes.

NOTICE

1. The SDR sent notice of the submission of this Motion to all known parties of interest shown on the Certificate of Service. As stated above, the Certificate of Service includes all who have requested to be placed on the Certificate of Service. The SDR will also post this Motion on its website located at www.amcaretexasreceiver.com.

RELIEF REQUESTED

1. Based on the foregoing, the SDR respectfully requests that the Court enter an order permitting destruction of the records.

2. The SDR also requests all other just and equitable relief.

Respectfully submitted,

Wisener Nunnally Roth, L.L.P.

**AFFIDAVIT OF JEAN JOHNSON IN SUPPORT OF
THE SDR'S MOTION FOR PERMISSION TO DESTROY RECORDS**

TO THE HONORABLE JUDGE OF SAID COURT:

Came before me, a notary public, Jean Johnson, Special Deputy Receiver (“SDR”) under contract to the Permanent Receiver of AmCare Health Plans of Texas, Inc., and AmCare Management, Inc., who, being duly sworn, did subscribe and swear that:

1. I am Jean Johnson. I am the SDR under contract to the Permanent Receiver of AmCare Health Plans of Texas, Inc., and AmCare Management, Inc. (hereinafter collectively referred to as “AmcCare”). I have personal knowledge of the facts to which I attest. I obtained my knowledge in my role as SDR.

2. I, acting as SDR, have identified certain records and documents that are not essential to and do not need to be maintained for the further administration of the AmCare estate. It is my recommendation that these records and documents be destroyed.

5. I believe it is in the best interest of the AmCare estate to permit the destruction of any records and documents which are no longer useful to the estate and reduce the expenses associated with storage of the same. I believe the only records and documents that need not be destroyed at this time are the records and documents necessary to complete the distributions, handle tax matters, and other similar financial records and claims approval records necessary to wind up this estate. I ask for permission to destroy all the records identified in Exhibits “A-1”

and "A-2". These records include advertising and marketing material and files from Amcare's pre-receivership storage unit. None of these files are necessary to the further administration of the Amcare estate.
